Dr. Sloan Hildebrand is honored to comprehensively serve his dental family with the utmost excellence. His team provides complete dental health care, specializing in prosthodontics, full mouth reconstructions, implant supported prostheses, and elderly care. He lectures globally to practitioners seeking the latest dental techniques and serves on the board of multiple local, national, and international dental mission organizations. Dr. Hildebrand was recently inducted into the Academy of Dentistry International for his unyielding passion for volunteer efforts within developing countries. He also enjoys spending time each week mentoring local high school kids within the community through church, sports, and the K-Life organization.

EDUCATION: D.D.S., University of Texas Dental School; M.S., Baylor College of Dentistry Graduate Prosthodontics; G.P.R, Denver Health Hospital General Practice Residency; B.S., Baylor University
